Disruption to public transport in Düsseldorf on Tuesday, 28/02/2023 due to strike action.

We have received information from the Rheinischen Bahngesellschaft AG that all public transport services in Düsseldorf will be affected by strike action on Tuesday 28/02/2023. All tram, bus and underground services in Düsseldorf will not be running. Some adjacent towns and areas will also be affected.

German Rail (Deutsche Bahn) trains running to stations in Düsseldorf are not affected.

Please plan to use alternative transport on Tuesday for example Taxi or Uber. Due to the high demand, long delays using these means of transport are also to be expected. We are planning to operate a special Uber stop (s. map) to ease traffic near the entrances. Please use this location to call a Uber-driver.

To alleviate the situation, Messe Düsseldorf GmbH will organise a shuttle service with coaches from Düsseldorf main station.

Departure/Arrival main station:	bus stop of the Bus Service 834: Friedrich-Ebert-Straße
Running hours:	07.00 a.m. – 08.00 p.m.
Frequency:	every 30 minutes
Departure/Arrival Messe Düsseldorf:	Entrance NORTH A

The shuttle runs between entrance NORTH A and main station without any further stops.

Please note: The shuttle will only have a limited capacity and you must expect long delays.

Please plan more time for you journey to and from the exhibition center on Tuesday. Please inform your own personnel and customers who have an appointment at your stand on this day.
